**Local Authority name: Stockton-on-Tees Borough Council**

**Publication Date: 17/03/2023**

**Version number: V.1**

**Publication on web site: [www.stockton.gov.uk](http://www.stockton.gov.uk)**

This statement sets out Stockton-on-Tees Borough Council's flexible eligibility criteria for the Energy Company Obligation (ECO4) scheme from April 2022 – March 2026.

The ECO4 scheme will focus on supporting low income and vulnerable households. The scheme will improve the least energy efficient homes helping to meet the Government's fuel poverty and net zero commitments.

The flexible approach for Local Authorities (LAs) to identifying fuel poor and vulnerable households who may benefit from heating and energy saving measures is referred to as "ECO4 Flex".

The Council welcomes the introduction of the ECO4 Flex eligibility routes as it helps the Council achieve its plans to improve the homes of those in fuel poverty or vulnerable to the cold.

The Council is publishing this Statement of Intent (SoI), on the 17/03/2023 to confirm that each of the households declared will adhere to at least one of the four available routes outlined below:

**Route 1:** SAP bands D-G owner-occupied households and private rented sector E-G households with an income less than £31,000. This cap applies irrespective of the property size, composition, or region.

**Route 2:** SAP bands E-G for owner-occupied households and private rented sector households that meet a combination of two of the following proxies:

### Guidance – ECO4 Flex Statement of Intent template

<b>Proxy 1)</b> Homes in England in Lower-layer Super Output Area 1-3 (LSOA) <sup>1</sup> , or homes in Welsh provision LSOA 1-3 on the Welsh Index of Multiple Deprivation 2019 <sup>2</sup> , or the Index of Multiple Deprivation for 2020, published by the Scottish Government <sup>3</sup>
<b>Proxy 2)</b> Householders receiving a Council Tax reduction (based on low income only).
<b>Proxy 3)</b> Householders vulnerable to living in a cold home as identified in the National Institute for Health and Care Excellence (NICE) Guidance. Only one from the list can be used, excludes the proxy 'low income'.
<b>Proxy 4)</b> A householder receiving free school meals due to low-income.
<b>Proxy 5)</b> A householder supported by a LA run scheme, that has been named and described by the LA as supporting low income and vulnerable households for the purposes of NICE Guideline.
<b>Proxy 6)</b> A household referred to the LA for support by their energy supplier or Citizen's Advice or Citizen's Advice Scotland, because they have been identified as struggling to pay their electricity and gas bills.

\* Note proxies 1 and 3 cannot be used together.

**Route 3:** SAP bands D-G owner-occupied households and private rented sector E-G households that have been identified by either a person registered in the General Practitioner Register, a Scottish Health Board, a Welsh Health Board, an NHS Foundation Trust, or an NHS Trust as vulnerable, with an occupant whose health conditions may be impacted further by living in a cold home. These health conditions may be cardiovascular, respiratory, immunosuppressed, or limited mobility related.

**Route 4:** SAP band D-G owner-occupied households and private rented sector E-G households that are referred under Route 4: Bespoke Targeting. Suppliers and LAs can submit an application to ESNZ where they have identified a low income and vulnerable household, who are not already eligible under the exiting routes.
